23 Nancy Close Cameron Park NSW

Don't miss out on this rare opportunity to own a large block of land in an established and sought after street in Cameron Park. This 870m² block is located at the end of a quiet cul-de-sac. Being the highest point in the street means it has an outlook over the area with clear distant views of the Lake Macquarie. You will also enjoy the privacy this location provides with no neighbours at the rear of the block- just a peaceful bush aspect! The owners regret having to sell this dream block after having unique architecturally designed plans drawn up, which they will provide to the lucky buyer.
