Like all great family homes, the large kitchen is the heart of this property. Not only does it have space for the whole family to gather at the end of the day, it offers a tranquil outlook over the leafy reserve to the rear of the property.

Boasting formal and casual living areas, 5 bedrooms and 3 bathrooms, this home ensures everyone has their own space. A sparkling in-ground pool and direct access to the reserve at the rear will keep the children entertained, whilst you, the lucky home owners, can supervise from the private upstairs deck.

Double car garaging with good side drive access for additional vehicles, ample storage and a low maintenance lifestyle almost complete the picture. In addition to all this, it's in a quiet location, close to great
