

Your Agency

30 Brisbane Water Road Adamstown NSW

4 2 1

This home has so much to give and is definitely priced to sell!

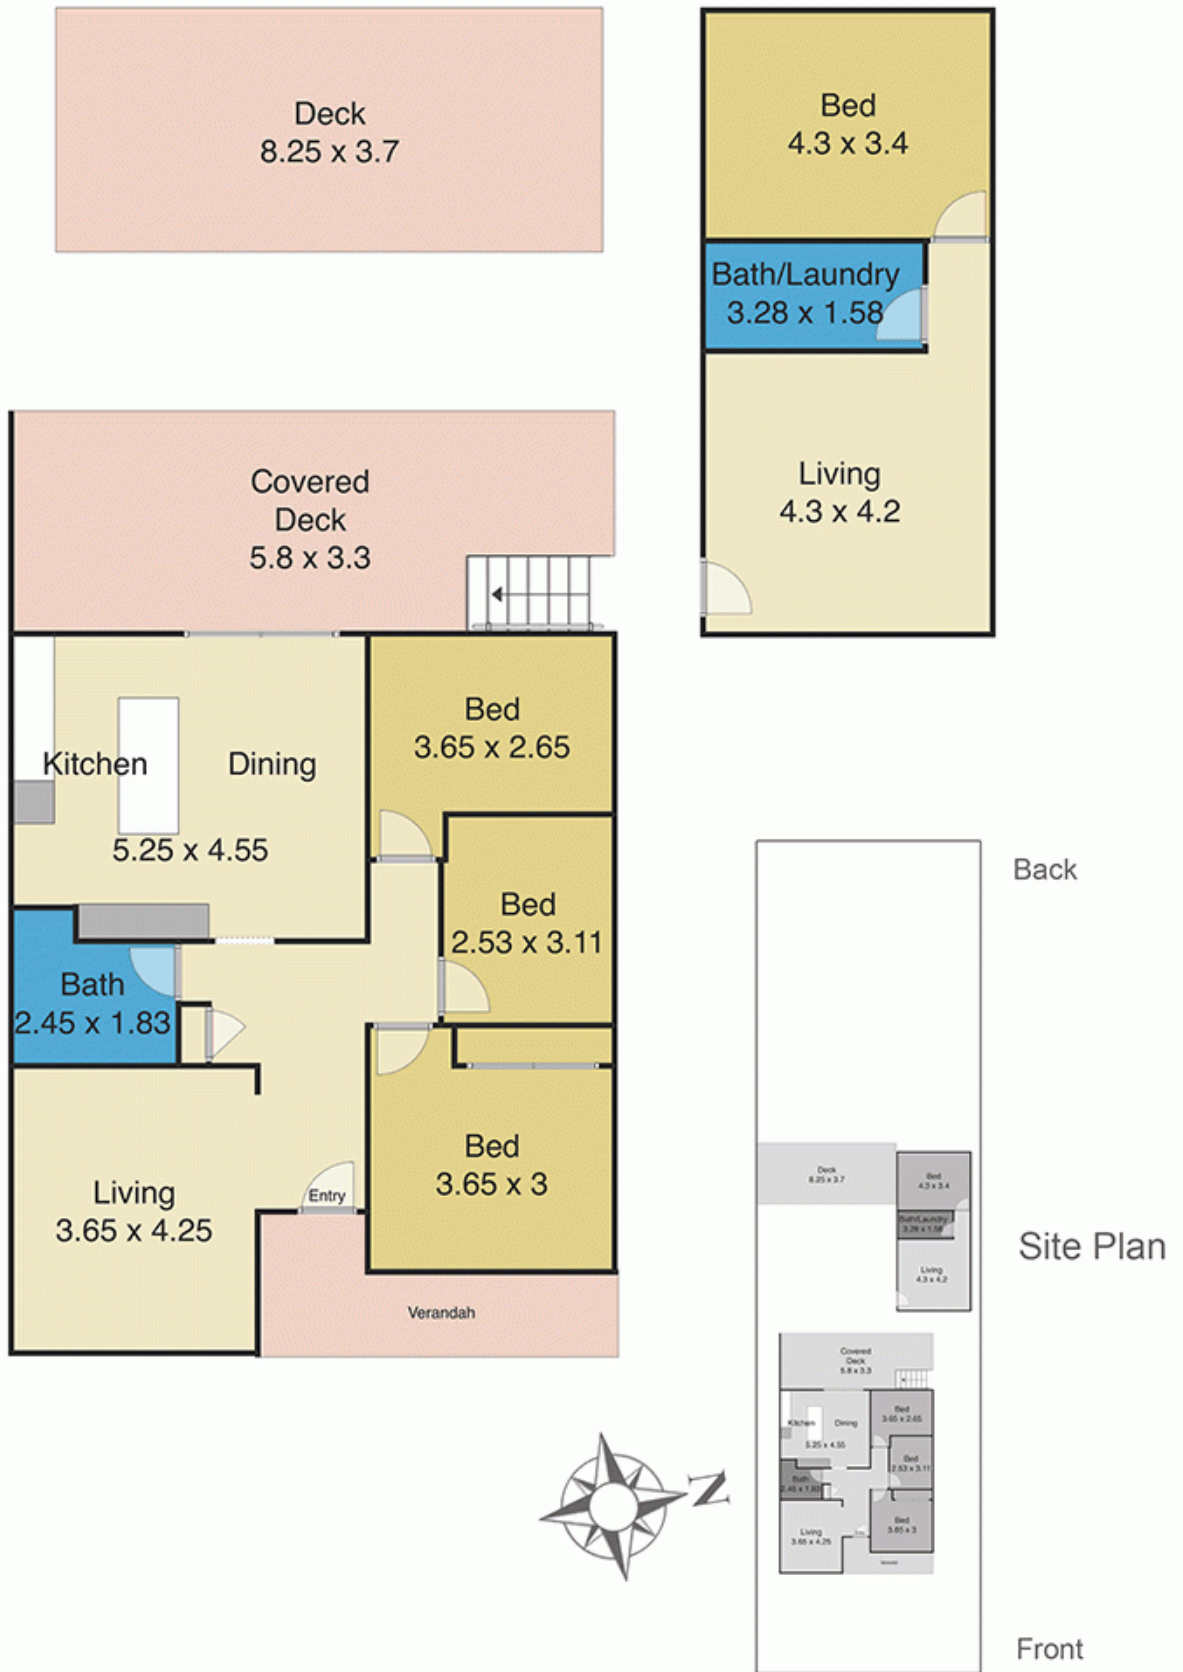

Not only will you have a lovely 3 bedroom home to live in but the space to also work from home.

Separate from the main dwelling is a converted garage that would be perfect if you require a home office. Even if clients need to visit, the side entrance allows for that without anyone having to walk through your private space. Two rooms and a bathroom provide your own office and potentially a meeting room as well as toilet facilities. If this isn't your thing, then you've got great guest accommodation, a teenage retreat or even an additional income through Airbnb.

Land Size : 658 sqm
